

SCORS: How to Cancel a Course

This guide will show you how to cancel a course from your Student Dashboard.

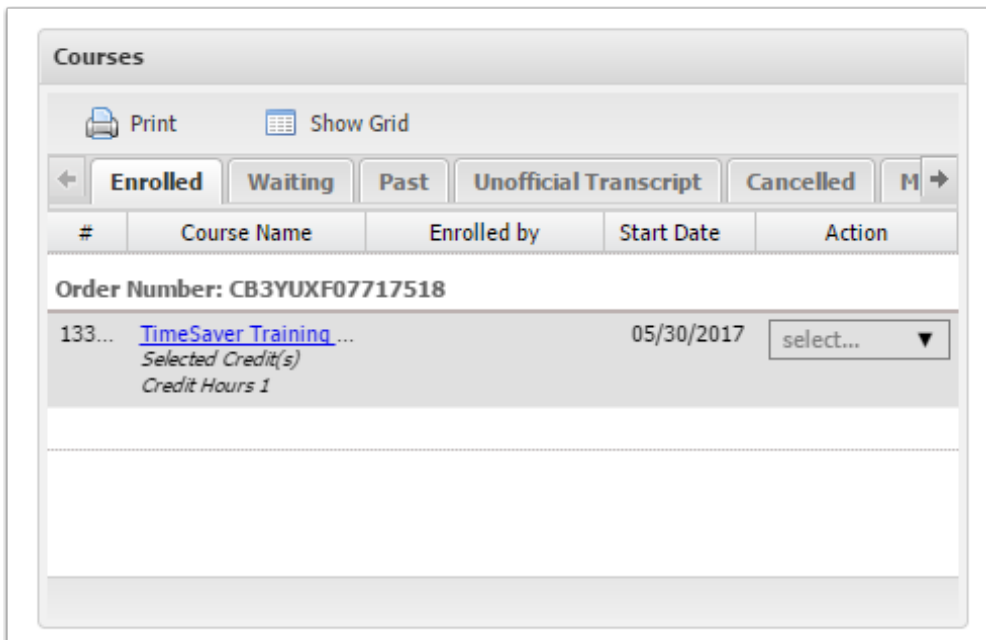

1) Log in to your account. If you do not remember your username or password, click on one of the reset links.

2) When you log in, you should be directed to your Student Dashboard. You can also open the dashboard at any time by clicking 'My Account'.

3) Look at your Courses view, shown below. The course you wish to cancel should show in the list under 'Enrolled' or 'Waiting'. If a course is past, you cannot cancel it without administrator assistance.

4) Click on the dropdown list next to your course and press 'Cancel Course' to cancel your registration.
